Read, Write Inc. Parents Workshop

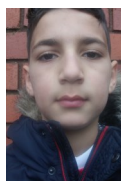

On Thursday 4th February many parents joined their child in a Read, Write Inc. lesson to be their partner and find out how we run our English lessons for children on the Read, Write Inc. programme. We had 37 parents join us for the lesson and had many positive comments.

Film Club

The Princess and the Frog

By **Kiranpreet**

Rating 4/5

This film is breath-taking!!!!!! It is really funny especially when their tongues tie together. It is one of the best animated movies I ever seen!! Well it is all about prince who turns into a frog and then he finds a girl who he thought is a princess. He asks her to kiss her; due to the fact he shows her a story which was nearly the same as theirs. In the beginning she doesn't agree but then she does. Unfortunately, while doing that she turns into a frog as well. After that she tells him that she was a waitress. Well I'm not going to tell you how they get normal because watch this amazing movie and find it out!!!!!!!!!!
