15th-17th June Y6 residential
Fri 24th June Nina Gill MeP visits Y6
Thurs 21st July Awards Assembly
Friday 22nd July LAST DAY OF TERM—Toy Day and Mufti

Spring Term ends The Spring term is always a short term with a huge amount packed into it. Thank you to everyone for all their hard work and commitment to Graiseley Primary School. As a community we continue to identify areas to develop and grow to make our school the best it can be for our children.

Attendance and behaviour are issues we need to continue to address next term and we have plans in place to ensure we raise the bar in both of these areas. Some families will have received a letter about persistent lateness and I will be following these up with parental meetings.

Please continue to support your child is attending regularly and well prepared for each day. **Children need a water bottle**—clean water each day, which may be re-filled in school. Bottles left at the end of the week will be thrown away to prevent germs from spreading.

Big Bang Fair

On Friday 18th March Years 4 to 6 went to the NEC to take part in the Big Bang fair to end the Science Focus week held in school. This was the end of a wonderful week of practical science activities. Mrs Rai, who is currently on maternity leave, and has given birth to a beautiful baby girl, organised the whole week before she left—a big thank you to her!

The younger children enjoyed more activities from a company called Sublime Science. A great way to learn—through having fun with hands on experiences.

Nursery Chicks

Mrs Ahluwalia has been helping Nursery children learn all about the life cycle of hens. An incubator and 10 eggs were kept in Nursery and the children watched as they hatched and grew.

**Last Week's
WHOLE SCHOOL
ATTENDANCE**

96.5%

We need at least
95% to be in line
with the average

Graiseley Primary School is committed to Safeguarding Children

Attendance Winners

Vishwas

Gabriele

Jasmine

Gurjas

Aleksander

Were Last
Week's
winners of
the 100%

Attendance prize draw - well done.

The Gold award for Juniors was won by
Year 6 with 99.5% attendance.

The Gold award for Infants was won by
Year 1 with 98% attendance.

Film Club

Arthur Christmas

By Kyle

Rating 5/5

I really liked this film it's exciting and very funny. It's all about a boy called Arthur his father is Santa and his Brothers name's Steve. My favourite part of the whole film is when Grandsanta and Arthur and a elf that they found along the way anyway my favourite part is when they thought they were in France but when Arthur heard elephants he said there's no elephants in France they carried on walking but when they saw lions and tigers they got frightened and then they knew that they weren't in France they were in Africa. Arthur wore slippers that flowed blue and green so he took them off and was singing silent night whilst swinging the slippers around and then..... I don't want to spoil the rest of it so I would recommend this film to anyone but it's 5+ which I think it should be a family Christmas movie for any age including under 5 year olds. Thank you. Remember WATCH THE FILM!!!!

Our SEAL Theme this term is **Relationships** and how to manage our feelings when relationships aren't going well—for example when we fall out with our friends.

Sainsbury's School Voucher Scheme

The school is collecting Sainsbury vouchers to provide sports and cooking equipment for pupils. Please give your vouchers to the school office.

After School Clubs

Monday

KS1 - Homework
