Family Learning Day - Maths Focus

Parents were invited to get involved with maths activities. It was super to see parents joining in with their children and having fun. Thank you to parents for supporting your child and hope you will come along to our next event. It is great for parents to be part of their child's learning.

Reception at the Gurdwara

After arriving at the Gurdwara, the children took off their shoes, washed their hands and covered their heads before being given a tour. Even though it was a very hot day and everyone was feeling the heat, the children's behaviour was excellent, well done to everyone.

Year 2 at St. John's Church

Year 2 are learning to understand the children's role within the Church. Father David Wright explained, using references to the Bible, how children are welcomed to the Family of the Church. A big thank you to Father David for welcoming Graiseley children to the church, not just with Y2, but with all the visits we have made.

Sing For Summer 2017

The School Choir joined 5 other schools at St John's church on Monday 3rd July to have a great singing festival. Paul Wilcox led a fun, action packed session for the mass choir. Graiseley sang our own song, Robbie Williams' "I love my Life" They did a great job and also enjoyed listening to the other choirs songs. A big thanks to the Wolverhampton Music Service.

Film Club

Superman

By **Aleisha**

Rating 5/5

In my precious opinion I feel that that this film is interesting but boring; due to the fact it is interesting it has fighting and saving; therefore its boring as I've watched it before. I feel that the other superman3 is better than most of them as I understand the point of view. Most films I watch there children such as: Finding Dory; Finding Nemo and other movies. Personally, I believe that I prefer watching films that have the type of Genre I like; furthermore I have a different opinion to others; contrary to people's opinions I'm very exuberant and cheery while watching films that I love. However this film is still interesting with all the danger. I'm very ambivalent towards this film as I very genuine about opinions and I feel very confused while watching this film. Anyway I love the role of superman and I love everything about superman; moreover superman is very strong and he would be my FAVOURITE superhero (plus he's UNDESTRUCTIBLE) . If you want to watch this film watch it. You might have a different opinion to me as your UNIQUE in your own WAY!!!
