Film Club

Mission Impossible By **Nampreet** **Rating 5/5**

RUNNNNNN!!! The film was amazing because it made a great adaptation of the series in a child friendly fashion. The genre of the film is action and adventure and thriller. It's all about a secret agent called Ethan Hunt (played by Tom Cruise) who has an unfortunately unsuspected surprise. This leads him enlist the help of two discredited agents to track down the cause of it. I'll let you find out what the surprise was, who the agents were and what the cause was. My favourite part was when Ethan discovered the cause and the final battle scene. The suspense was the thing that I liked the most. You might not understand the storyline at first but it explains itself as the film goes on.
