Film Club

The Time Machine

Rating 5/5

I feel that this film is good, imagine travelling in time that would be so cool instead writing about history you could be a part of it, that is so cool. Imagine seeing: Cavemen; Romans and others. Even though I have only watched half this film it is so interesting. I hope you watch it.

This film is... Marvellous. If you haven't watched this this marvellous film I'm sure you would sit back and marvel. Extremely sure! This film is one of a kind I've ever seen in my life. This marvellous film has adventure; moreover comedy. Watch this film you get attracted to it.

Please join us on Monday morning to celebrate our children's achievements. You will get an invitation to our assembly on Friday if your child has been selected.
